Enjoy boom netting along the pristine beaches of Jervis Bay

While we cruise on the pristine waters of Jervis Bay, we drop the boom net in the water and get you wildly wet. An experience like no other, it can only be described like a cruising spa bath that will make you laugh till you cry.

Boom Netting is suitable for all ages and all swimming abilities, even those with any type of disability. It is popular with family groups, corporate days out and festive season celebrations. We are confident the enjoyment and adrenaline rush of boom netting will have you coming back for more!

The perfect family day cruise in Jervis Bay...

Jervis Bay has been a Marine Park for 20 years and is now one of the most unique and healthy ecosystems in Australia. That’s why the crystal clear waters of Jervis Bay are home to over 100 Bottlenose Dolphins. These dolphins are highly recognisable and are known for their long snout and distinctive smile.

On the dolphin tour, we often find pods of dolphins feeding around the reef systems. Friendly and active, you will fall in love with them the moment you lay eyes on them. The dolphins sometimes swim and race hundreds of meters to play on our bow.

Whale watching at its finest!

This cruise gives you the rare opportunity to witness the majestic beauty of our migrating Humpback Whales. Imagine setting off on the immaculate Jervis Bay, on a sunny winter’s day, and having these awe-inspiring Humpback Whales greet us on their journey.

On the Northern migration we sight Whales within a mile or so off the dramatic sea cliffs on Jervis Bay’s peninsula. During the Southern migration, we begin to get mothers and their new born calves coming to rest in Jervis Bay. A truly life changing experience set against rugged cliffs and ancient sea caves.
